Brussels, 23 March 2017

Dear Mr. President, dear colleagues,

The United Kingdom has been hit by an atrocious attack.

We were shocked and horrified when we heard the news of the terrorist attack on Westminster Bridge and the Palace of Westminster in London.

Our hearts go out to our colleagues from the UK, and to all those who lost loved ones.

The Board of the Actuarial Association of Europe.

With kind regards,

Kristoffer Bork,
Chairperson
