WWW.ACTUARY.EU**MEETING OF THE PENSIONS COMMITTEE****HELD IN EDINBURGH, SCOTLAND****ON THURSDAY 10 APRIL 2025 FROM 14.00-17:15 BST****MINUTES****Chairperson:** Tatiana Bitunska**Participants:** The list of participants is added as Annex 0.1

1.	<b>OPENING OF THE MEETING AND ADOPTION OF THE AGENDA.</b> Tatiana Bitunska welcomed the participants and wished a successful and productive meeting. She expressed gratitude to the IFoA for the hospitality and for the amazing and joyful welcome reception last night. The agenda was approved without changes as circulated before the meeting ( <a href="#">agenda</a> ).
2.	<b>MINUTES OF PREVIOUS MEETINGS</b> The PC confirmed the <a href="#">Minutes of the meeting</a> held in Budapest on 10th of October 2024 ( <b>Annex 2.1</b> ), and the notes of the virtual meetings held on <a href="#">28 January 2025</a> and <a href="#">20 February 2025</a> .
3.	<b>AAE STRATEGIC PLAN – pension specific topics/deliverables</b> (Annex 3) The Chairperson of the PC gave a presentation on the Strategic Objectives accepted by the AAE Board and on how PC delivers are linked to the strategic plan.
4.	<b>TERMS OF REFERENCE – 5 min</b> (Annex 4) Tatiana Bitunska noted the current structure of the PC and relevant substructures ( the SSsCo and the other Working groups ). The Chairperson asked for any suggestions or amendments needed in the working perspective.  <b>4.1. Rename the Mortality WG</b> With that regard Maria Economou (Chairperson of the SSSC) presented the request for changing the name of the “Mortality WG” to “Demographics WG” without changing the content of the ToR. The reason is the scope of the work and researches of the WG – much wider area than only mortality studies. The PC approved the request.  <b>4.2. Task force on Chronical Diseases - New suggestion</b> Lionel Candaux noted some past discussions between EIOPA and AAE Attendees in order to understand if there are instances of unfair treatment of people with

	<p>chronic diseases within the European insurance market (Conditions of focus were: HIV, Diabetes and Pregnancy ... (it is not a completely closed list)). Lionel suggested to consider creating a Task force involving several committees, addressing how will compensation for disadvantages be financed. The objective would be discussing the AAE's point of view with EIOPA. While actuaries can model the premium surcharge for certain conditions, the choice of financing mechanism is a political issue.</p> <p><b>4.3. Update of the PC' ToR</b></p> <p>The Chairperson noted the ToR of the PC which has not been changed since 2010. The PC members discussed the need of an update of the ToR.</p> <p>Susanna Adelhard and Tatiana Bitunska volunteered to work on the needed adoptions of the current ToR and to prepare an updated version before the Annual Meeting 2025.</p> <div style="text-align: right;">  </div> <p style="text-align: center;"><b>Pensions Committee – Structure</b></p>  <div style="background-color: #002060; color: white; padding: 5px; text-align: center;">       ADVISING · ACHIEVING · ENGAGING     </div>
