

Key Principles

- SO centric with SO1 as highest priority
- Transparency to all member associations
- Support committees work
- Value human contributions

Main priorities

- Implementing the new AAE workplan:
 - Translate AAE workplan into board and committees yearly action plans
 - SO1: Solvency 2 AAE branded session in ICA 2018, reactive and proactive contributions to new regulations/consultations
 - SO2: promote new AAE code of conduct, review AAE core syllabus, support wider fields development
 - SO3: initiate through a TF / contributions needed from Member Associations, prepare ECA 2020
- Implementing the new governance
 - Review/remodel the structure of AAE committees / WG / TF in line with the SOs
 - Successfully complete the transition period with the Board and the Committee chairs
- Intensify regular reporting to Member Associations
- Use the new website to highlight all the actuarial contributions AAE receives and open us to other views
