

## Col·legi d'Actuaris de Catalunya

---

### MAIN ACTIVITIES THAT IS DEVELOPING OUR COL·LEGI

#### EDUCATION.

Education is the most important activity for us and therefore the greatest service we provide to our members.

In 2017 we organized 15 education activities, with a total of 2,554 hours, attended by a total of 459 professionals.

#### COURSE ON THE ACTUARIAL FUNCTION

Among the training activities planned for this year, the course on “The Actuarial Function” deserves special attention:

- The second edition (first edition on 2016).
- With a total of 32.5 hours of dedication.
- Distributed in 13 sessions.
- Composed of 9 thematic modules (life and non life).
- During the next month of June 2018.

#### CONTINUOUS PROFESSIONAL DEVELOPMENT (CPD)

The last Assembly of our Col·legi, on March 21, approved our new internal regulation that regulates the requirements of the continuous professional development (CPD) that our members must follow to keep up to date their knowledge for professional practice, in accordance with european standards on the subject.

#### AGREEMENT WITH CERA GLOBAL

We have recently reached an agreement with CERA GLOBAL, so that the Col·legi can certify the CERA qualification (Chartered Enterprise Risk Actuary) to our members. Additionally, we have reached an agreement with the European Actuarial Academy (EAA), which will be the entity that will carry out the training.
