Change of CAC corporate image and logo.

EDUCATION.

Education is a very important activity for us, because it is a service very demanded by our members and by our protector's members (insurance companies), for the training of their actuaries.

In 2018:

- 18 education activities,
- A total of 3,698 hours,
- Attended by 508 professionals.

CONTINUOUS PROFESSIONAL DEVELOPMENT (CPD)

During 2018, we have developed a computer application for the management of our CPD system.

This has allowed us to launch our GPD system on April 1.

In this computer application, we have integrated all the management of data and information relating to our members.

CERA GOLBAL

Last year we have reached an agreement with CERA GLOBAL, so that the Col·legi can certify the CERA qualification (Chartered Enterprise Risk Actuary) to our members.

Additionally, we have reached an agreement with the European Actuarial Academy (EAA), entity that is carrying out the training.

Our first course for the CERA degree was launched in 2018:

- December 2018: Module 0 Initiation: 14 actuaries participated
- February 2019: Module A: 16 actuaries participated
- September 2019: Module B
- Spring 2020: Modules C and D

WORKING GROUPS AND COMMISSIONS.

CAC has had different active Working Groups and Commissions I 2018. At least 100 actuaries have participated in different working commissions and meetings.

Working Groups/Commissions:

- Pensions and Social Security.
- Professional Standards.
- Senior Commission.
- Edition of the CAC Magazine.
- Development of Education Program.
- Development of CPD Program (regulation, systems and follow up).

CAC MAGAZINE.

CAC has published 2 copies of Col·legi magazine (ADC21) in 2018: January and September.
