### CPD Survey – summary of responses received

Association	Response received
Lithuania	<p>Do you have a CPD system? YES</p> <p>Is CPD mandatory? YES</p> <p>Do you check the CPD efforts of your members? YES</p>
The Netherlands	<p>Do you have a CPD system? YES</p> <p>Is CPD mandatory? YES</p> <p>Do you check the CPD efforts of your members? YES</p>
Norway	<p>The DNA has established a working group that deals with the CPD question. It will hand over a report in September. So far, it seems that this group will recommend that a CPD system should be implemented in Norway. Further, that it should be mandatory and also require that the CPD efforts of our members should be checked. Thus, the answers to the three questions are:</p> <ol style="list-style-type: none"> <li>1 Do you have a CPD system? Planned</li> <li>2 Is CPD mandatory? Planned</li> <li>3 Do you check the CPD efforts of your members? Planned</li> </ol>
Portugal	<p>There are no substantial changes to the data collected two years ago. Although a mandatory CPD system has been introduced from 2012 and the IAP members are strongly requested to update their CPD records regularly (each member has a personal area on the IAP website to do it) a number of members fail to respond to this request...</p>
