**AAE Professionalism Committee Meeting: Member Report**

Dear Christophe,

Following your request on getting a report from each Committee Member, you will find below a summary of the key developments at the Swiss Actuarial Association since the Sofia meeting from a Professionalism Committee's perspective .

**CERA Members:** The Swiss Actuarial Association currently has 29 CERA Members and there are 18 candidates currently going through the CERA accreditation process.

**Fully qualified actuaries (FQA):** The number of FQAs complying with the mandatory CPD is 95% compared to 85 % last year. Eight FQAs haven't fulfilled the CPD requirements for three consecutive years. Three of them were excluded from the section "fully qualified actuary SAA".

Yours sincerely,  
José Blanco
