

I answer your questions:

- A status update on your Associations' compliance with the new AAE Code of Professional Conduct;  
The new Portuguese CoC , was adopted in November 2017, just two months after AAE approval . It is basically a translation of AAE CoC
- Your proposal on how to audit an FMA's compliance with and in accordance with our Statutes:
  - The new AAE Code of Professional Conduct;
  - Having a formal disciplinary process in place.

My proposal is to ask for the associations to send their documents about CoC and disciplinary process. The problem is the translation....

- Any challenges that your Association is facing or any interesting information for the other ProfC Members.  
IAP is going on fighting for the legal recognition of our profession and improvements on some legal aspects like appointed actuary statute.
- Any arguments/questions you may have on the documents sent with the agenda. This will allow me to group similar points which are raised by several members and hence make the call more efficient.
