

- A status update on your Associations' compliance with the new AAE Code of Professional Conduct;
 KG : will be voted this evening during virtual general meeting
- Your proposal on how to audit an FMA's compliance with and in accordance with our Statutes:
 - The new AAE Code of Professional Conduct;
 - Having a formal disciplinary process in place.
 KG : I would suggest to have a complete audit of CoC, disciplinary process and respect of syllabus as has been done in the past. It can possible to compose audit teams per associations with the liaison officer of the board and members of the Professionalism and Education Committees. This has been done on previous occasions. It is a good opportunity to have contact and see how the MA can be involved in AAE and what their expectations are.
- Any challenges that your Association is facing or any interesting information for the other ProfC Members.
 KG : the continuing challenge is to make the connection between the international activity and the members of the association.
- Any arguments/questions you may have on the documents sent with the agenda. This will allow me to group similar points which are raised by several members and hence make the call more efficient.
- Proposal of a topic for the ProfC 2021 Webinar.
