

VIRTUAL MEETING OF THE SOCIAL SECURITY SUB-COMMITTEE

ON THURSDAY MARCH 31ST, 2022 FROM 10.00-13.00 CEST

AGENDA

1. Opening of the meeting and adoption of the agenda

2. Notes about the Committee's progress

3. Task Force Methodology and Projections / chairperson Mr Stavrakis

Aim:

Enhance the value of actuaries in social security at national and EU level.

Get the views of SSSC colleagues on the following aspects:

- Understand the key challenges currently faced by the social security actuaries
- Discuss how, in practical terms, to enhance the value of social security actuaries at (a) national and (b) EU level and thus making a visible contribution of the actuarial profession towards policy decision-making
- Explore the possibility of discussing the above not only among social security actuaries but also among other professionals/ experts who work in social security institutions and undertake actuarial work
- In this context, discuss the possibility of organising a Forum with the participation of social security professionals/ experts and perhaps policy-makers - pros & cons

4. Task Force on Adequacy of Pensions / chairperson Mr Parniczky

Aim:

Move forward to practical solutions to our main questions in adequacy.

Get the views of SSSC colleagues on the following aspects:

- Discuss the methodological issues we may focus on in more detail and differentiate what an actuary can do.
- Discuss adequacy challenges taking into account sustainability and other related aspects, like intergenerational fairness.

5. Task Force Mortality / chairperson Mr Bogataj

Aim:

Get the views of the SSSC colleagues on writing a discussion paper about Long Term Care in EU. This is to contribute to the EU agenda of "Democracy & Demography".

David will provide relative info to the committee on the above EU agenda.

Participate in the discussion “Future of Social Security in EU” together with Alma Mater Europaea”.
