

## PRESS RELEASE

### Actuarial Association of Europe welcomes Stephanos Hadjistyllis

Brussels, 4 January 2024: The Actuarial Association of Europe (“AAE”) announced today that Stephanos Hadjistyllis FIA CERA has joined AAE as Senior Actuary/Project Manager, from 1 January 2024.

Stephanos is a Cypriot national with over 12 years of extensive experience as a consulting actuary. He has previously served as the head of the pensions actuarial team at Deloitte Cyprus and has held key consulting positions in both Cyprus and the UK. His expertise encompasses actuarial, risk, and investment consulting, making him a valuable addition to our team.

Stephanos chaired the Board of the Cyprus Association of Actuaries from June 2018 to June 2020, demonstrating leadership and strategic vision.

Stephanos' proven track record of successful project management, comprehensive understanding of actuarial principles, and commitment to professional development make him an excellent fit for our team.

On behalf of the AAE Board, the Chairperson, Giampaolo Crenca, said: *“It is with pleasure that we can announce that we strengthened the team at the AAE to be able to face the challenges in a changing world and be prepared to seize the opportunities to further develop the actuarial profession from all perspectives. Stephanos will be a valuable resource in order to support the strategic plan which AAE is carrying out. We are delighted that Stephanos agreed to join AAE. Please join us in extending a warm welcome to Stephanos as we look forward to achieving new heights together.”*

Stephanos said: *“I am delighted for my appointment as a Senior Actuary and Project Manager at the AAE, marking the beginning of an exciting new chapter in my professional journey. Joining this esteemed organisation is both an honour and a thrilling opportunity to contribute to the advancement of the actuarial profession. I am eager to bring my skills and expertise to the forefront, collaborating with a dynamic team and contributing to impactful projects. I look forward to the challenges and successes that lie ahead, and I am enthusiastic about the prospect of making meaningful contributions to the actuarial community through my role at the AAE.”*

3. The Actuarial Association of Europe (AAE) was established in 1978 under the name Groupe Consultatif to represent actuarial associations in Europe. Its primary purpose is to provide advice and opinions to the various organisations of the European Union - the Commission, the Council of Ministers, the European Parliament, the European Supervisors and their committees – on actuarial issues in European legislation. The AAE currently has 38 member associations in 37 European countries, representing over 29,000 actuaries. Advice and comments provided by the AAE on behalf of the European actuarial profession are totally independent of industry interests. The Actuarial Association of Europe is registered in the EU Transparency Register under number 550855911144-54
