The sad news reached us that Prof. Ermanno Pitacco passed away.

For many, many years he was an active member and well respected colleague in the AAE Education Committee. His contribution to the development of the actuarial profession not only in Italy but also in Europe was significant. We will always remember his open-minded kindness.

Our hearts go out to his family and friends and we wish them all the best in dealing with this tremendous loss.

- **AAE conducts a survey on the attractiveness of an actuarial career**

AAE wants to better understand how the attractiveness of pursuing an actuarial career is currently seen in its member associations. A survey was sent to AAE delegates to collect responses, before 20 November 2022 ([link](#) to the survey).

- **25th Anniversary of Latvian Actuaries Association (Latvijas Aktuāru Asociācija)**

To celebrate the 25th Anniversary, the Latvian Actuaries Association organised a free webinar on 23 September 2022. More details can be found [here](#).

- **IAA initiative: 1st Young Actuaries World Cup Competition**

Only one more month to submit your video for the 1st Young Actuaries World Cup Competition!

Please read all about it [here](#).

- **Submission deadline**
