- [EAA e-Conference May 14th 2024](#)

- **Program now online!**
- The program for this year's EAA e-Conference on Data Science and Data Ethics was just recently published. The EAA would like to thank all those who responded to the Call for Speakers have thus contributed significantly to the compilation of a first-class and varied conference program.
- This year's program is dedicated to the highly relevant topic of Artificial Intelligence with three presentations by international experts. Keynote speakers will discuss the application of large language models in the insurance industry and the impact of AI on the actuarial profession. Other presentations will cover topics such as quantifying uncertainty for an AI-based solvency capital estimate and using machine learning to predict health insurance costs.
- For a detailed overview of all presentations, please see the [full program here](#).
  - This and much more information, including the early bird offer until 14 March 2024, can be found on the event website. The EAA looks forward to your participation and the exchange of ideas with you!

- **22-26 September 2024, Brussels, Belgium: Joint Colloquium**

Please follow the [JoCo page on LinkedIn](#) to have access to the latest information about the Colloquium scheduled for **22-26 September 2024**, Brussels, Belgium. The different sections of the IAA (AFIR-ERM, ASTIN, IAAHS, IAALS, IACA, and PBSS) will host the very 1st Joint Colloquium of all IAA Sections (JoCo2024) in Brussels. [Register here!](#)

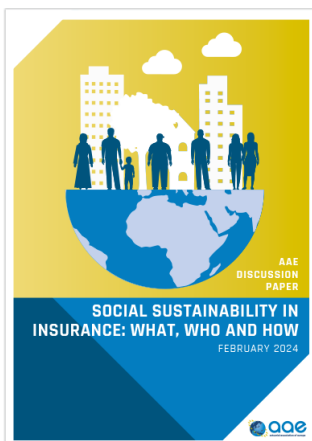

All these events and more can be found on the AAE's Calendar, click here!
