Blogs

Last March, the AAE published a thought-provoking blog post by **Jérôme Crugnola-Humbert**, Chairperson of the Sustainability and Climate-Related Risks Working Group, highlighting the role of insurance as a social safety net.

The article delves into the **importance of social sustainability in insurance**, addressing how the industry can better serve underserved populations, balance environmental and social concerns, and

navigate challenges like AI-driven risk assessments.

Surveys and Consultations Members Associations

Open surveys and consultations to which a response of AAE Member Associations is needed, can be found on the [AAE website](#).

- A membership survey was issued to support to work of the Statutes Review Task Force. The survey focusses on types of (derived) membership as well as on eligibility to transfer under the MRA.
- Generative AI in Education Questionnaire aiming to gather information on practices regarding the use of artificial intelligence tools within actuarial training programs.

On this page you will find all relevant details as well as the deadlines.

Members log-in required.

Consultations from stakeholders

The AAE submitted a response to the following consultations:

- [EIOPA's Consultation on the proposal for revised Guidelines on the treatment of market and counterparty risk exposures in the standard formula](#)

- [EIOPA's Consultation on revised guidelines on undertaking-specific parameters - Solvency II Review](#)
- [EIOPA's Consultation on the proposal for Regulatory Technical Standards on management of sustainability risks including sustainability risk plans - Solvency II Review](#)

AAE contributors are drafting responses to the following consultation and requests volunteers for:

- [EIOPA is seeking feedback on its Opinion on Artificial Intelligence governance and risk management](#) - deadline 12 May 2025

Interested to contribute? The contact the AAE before 11 April 2025

Contribute to upcoming consultations by checking outstanding consultations and deadlines ([click here](#)) and explore AAE's responses to past consultations ([click here](#)).

Please note that the above deadlines are final submission dates set by consultation issuers. Internal AAE deadlines for volunteer responses are typically a few weeks prior and will be communicated separately within an agreed timeline, allowing for AAE's review processes.
