

AAE

ACTUARIAL
ASSOCIATION
OF EUROPE

NEWSLETTER

#5 - 2026 August

The AAE Newsletter – the regular publication by the European umbrella organisation of the actuarial associations in Europe – provides you with the latest information from the AAE and its members.

Contents

- **News from the AAE**
- **Upcoming events**
- **Publications**
- **Consultations from stakeholders**

News from the AAE

Welcome to the AAE Newsletter - now quarterly!

Summer is in full swing and we are introducing a refreshed communications rhythm: four newsletters, along with our quarterly TEA magazine. You'll hear from us consistently throughout the year, without the *noise* of monthly sends.
Thank you for being part of the AAE community.

Enjoy the read.

Welcoming Juliette Albiac to AAE

Juliette Albiac joined the AAE on 3 August 2026 to support the management and transformation of the Association.

Vacancy alert!

Chairperson of the Non-Life Working Group – Actuarial Association of Europe

The Actuarial Association of Europe (AAE) is launching a call for expressions of interest for the role of Chair of the Non-Life Working Group, following Christoph Krischanitz stepping down as Chair of the Working Group. The AAE is seeking a Chairperson who has a strong background in non-life insurance and who is motivated to further develop relevant non-life topics for the European actuarial profession.

👉 **More information and how to apply, deadline: 4 September 2026**

Flashback to ECA 2026

Proudly **looking back** at the amazing event held in Paris in June 2026

Submission deadline

If you have news to share that may be interesting for AAE delegates, please submit your news before the 18th of January, April, July and October to allow for timely

inclusion in the quarterly newsletter.

EVENT CALENDER

Publications-Media

Issue 46, June 2026 of **The European Actuary** has been published.

Highlighting:

Addressing AI Risk in the Industry,
an Interview with **Claudio Senatore**
available on **actuvuew**!

👉 AAE Discussion Paper “How to close the protection gap and increase resilience against climate change”

On 22 June 2026 the AAE published a Discussion Paper titled “**How to Close the Protection Gap and Increase Resilience against Climate Change**”, produced by the AAE Sustainability and Climate-Related Risks Working Group. The paper provides an analysis of Europe’s growing natural catastrophe protection gap and puts forward coordinated policy recommendations for addressing it.

Consultations from stakeholders

AAE submitted a response to the following consultations:

- **EIOPA's Consultation on the shortening of additional Guidelines under Solvency II**
- **EIOPA's Consultation on Annex to Opinion on the use of risk mitigation techniques - Proportional reinsurance**
- **The Commission's Targeted consultation on the draft guidelines for the classification of high-risk artificial intelligence systems**

AAE contributors are drafting a response to the following consultations:

- **EIOPA's Consultation on the review of insurance disclosures under the Taxonomy Disclosures Delegated Act** - internal deadline passed
- **EIOPA Consultation Paper on draft Regulatory Technical Standards on Valuation 3 (IRRDR) – methodologies for assessing the difference in treatment between resolution and insolvency, and the estimation of replacement costs (EIOPA-BoS-26-267)**

Contribute to upcoming consultations by checking outstanding consultations and deadlines ([click here](#)) and explore AAE's responses to past consultations ([click here](#)).

Smarter communications. Same commitement!
