New AAE Officers elected

At the 54th General Assembly held in Málaga on 9 October 2026, Hartwig Sorger (Austria) was appointed AAE Chairperson.

Lauri Saraste (Finland) was elected as AAE Vice-Chairperson.

Call for Volunteers: Solvency II Working Group – Actuarial Association of Europe

EIOPA completed its work on the Solvency II review in July 2026, and the revised framework applies from 2027. The focus is now moving from consultation to implementation, where the real questions only start: how the new rules are interpreted, applied and supervised in practice, market by market.

At the same time, the prudential landscape has become wider. Solvency II, the Insurance Recovery and Resolution Directive and the debate on insurance guarantee schemes now interact. Supervisory competences are split, and there is a growing debate on detailed rules versus principles and outcomes based supervision.

The AAE Solvency II Working Group has renewed its mandate for 2027 and is looking for new members.
